Drop off's and Pick Up's

It is very important that you understand your child's time schedule. If your child is not enrolled in our before or after school program, then your child should not be getting dropped off earlier than 8:30 and picked up no later than 3:00pm. The reasons behind these time schedules are so we can meet our teacher-child ratio. If you notice that you are running late, PLEASE give us a call. Late charges will apply.

With the warm weather approaching we ask that you please provide us with **labeled sunscreen and water bottles in your child's cubby. Please provide us with weather appropriate extra clothing in your child's cubby incase is needed.**

Letter to Parents

Dear Parents,

It is imperative that I remind you just how important it is to stay tuned to what is taking place within our center and also within our class. We have a very busy schedule in our JK/SK room so I ask that we all work together to help run things smoothly for each and every child. To ensure the best quality, I am going to need your help! Please remember to read our calendars and newsletters on a daily basis so you as a parent know what is taking place without our class. We teachers write reminders here, there and everywhere. Most importantly, every classroom in MSMD has a little white board near the entrance of every class. **PLEASE** make sure to glance at it every night before picking up your child for there may be very important notes, dates and reminders on it. Also, that being said, when picking up your child, remember that you must sign your child in and out every single day that your child is present!

If you have any questions or concerns, please feel free to speak to Ms. Nadia or myself.

Thank you for your co-operation,
Ms. Melina ☺
